Reading Part 4

Read the text and the questions. Choose the correct answer for each question.

Hi Imogen

How are you? It's a pity you didn't come to the party last night. There were about ten people there and we had a great time. Kenny came with his new girlfriend Amy, so Beth was a bit upset. Anna got lots of presents – silver earrings from me, several CDs and a book. I wanted to buy her a DVD, but it was a bit too expensive. One of the boys brought her a big bunch of flowers. She was very pleased!

We all danced for about two hours. The boys loved the music, but it was a bit too loud for me. Then we had a delicious meal – Anna's Mum is such a great cook! And after that we played party games until midnight. It was fun! Beth and I stayed after the party and helped Anna tidy up. Her Mum and younger sister helped too.

I'm really sorry you missed it – I know you like dancing. Are you feeling better today? And are you coming to school on Monday? Maths homework is quite difficult and we have a Science test on Wednesday. You can't miss the class trip next week. I hope the weather is going to be nice for the zoo. It's so much nicer to go there than to a museum or an old building. We're all going by train... all twenty of us. It's much faster than a bus or a coach and more fun!

I'm busy on Saturday – we're going clothes shopping in London. But I can come and see you on Sunday. Let me know if that's not OK.

Love

Emily
