

PART 3 (3 minutes)

I: Now, Part Three. We're going to discuss something together.
We are planning to enter a competition called 'Around the World.' The first prize is a trip around the world using any one type of transport.

We need to decide together which would be the best type of transport for the trip and give our reasons. *(Hand over candidate's task sheet.)*

Let's ask and answer questions to help us make some decisions. I'll start.
