Writing Part 1

A property developer is building up a residential area with homes for families. They want to allocate some of their space for extra facilities, so they have commissioned a survey of potential residents to find out which facilities they would prefer to be offered. Study the results of the survey below and write your report recommending two of the following suggested facilities.

Gwimming pool Green area/Park Children's playground Gports complex & Gym Library Arts and Crafts centre rite between 150 – 200 words.
